Bulldog Study Habits Tabling - SGA Student Engagement Board

Tabling Date: 9/25/23 @ 12-2PM

Feedback Posted: 10/9/23

Survey Summary

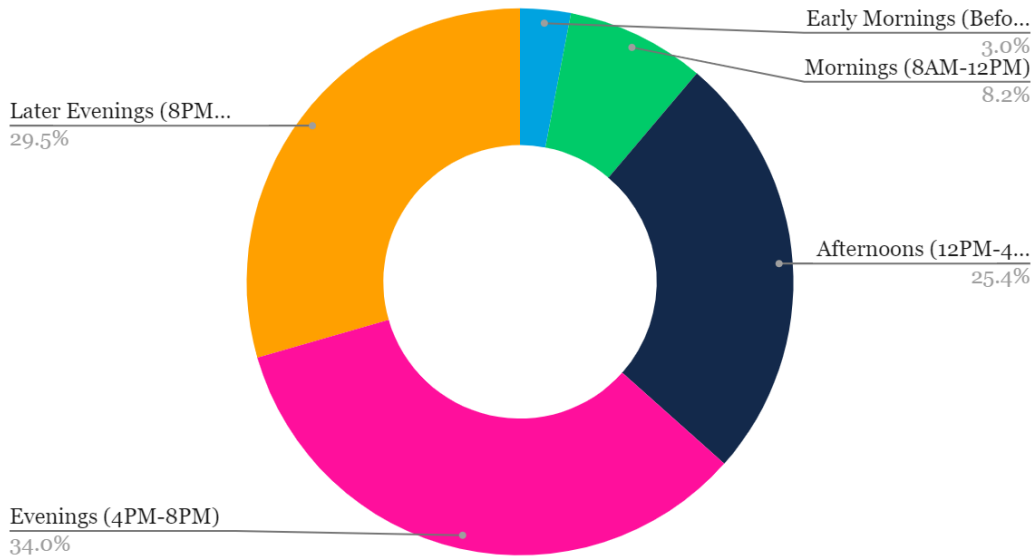

143 Student Responses

Survey Questions:

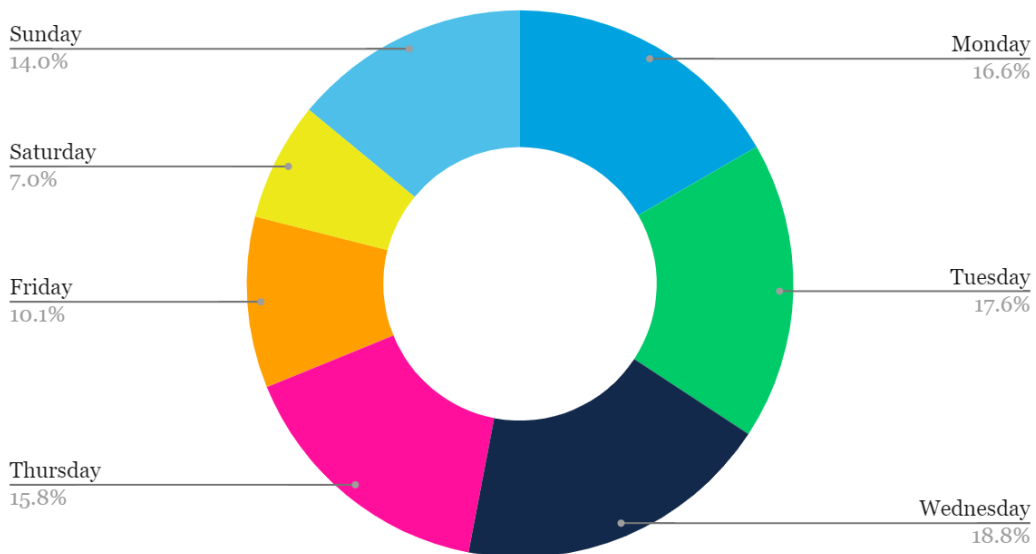

- What time of day is your generally consistent “study time”? (select time of day)
- Which of the following days of the week do you generally study? (select days that apply)
- Rank the following TOP 3 common study spots IN ORDER of your preference. (Selected top three. Had an other section for non-listed locations)
- Please select all of the following reasons that indicate why you like your preferred study spot.

Charts and Graphs (Count: 7)

Survey Notes

Listed below are points collected from the data listed above.

- The main choice of studying times for Butler students was in the **evenings (4PM-8PM)** with 91 of 268 votes. Second most common are **later evenings (8PM-12AM)** with 79 of 268 votes. Third most common are afternoons (12PM-4PM) with 68 of 533 votes.
- Butler students generally study on **Wednesdays** the most with 115 of 613 votes choosing this option. Then following sequentially: Tuesdays and Mondays.
- Majority choose **Irwin Library** as either their first choice (33 of 139) or as their second choice (25 of 136).
- For first choice on studying location, **Irwin Library** came up with the majority of votes with **My Place of Residence** and **Dugan Hall** coming up in second and third preference respectively.
- SGA offered a write in option for the studying locations in case someone had a different preferred location. In this option, **CTS** had the most votes. The top reasons for choosing a preferred studying spot were that it allowed students to be **quiet and focused** (117 out of 533), it has a **calming feel** (90 of 533), and it is **less crowded** (83 of 533).

Next Steps

SGA is actively working toward addressing student concerns and feedback.

- Relaying feedback to Irwin Library in hopes of lengthening hours. **(10/9)**
- Working collaboratively with Butler faculty to see how we can maintain open library times during peak studying periods.
- Irwin Library shared they will be hiring for a nighttime supervisor **(10/18)**
- Irwin Library will work on better marketing/branding of spaces/services **(10/18)**
